Hopkinsville, of Madisonville, is
still in the papers a picture
taken in 1895. Sit for a new one,
Hop, and quit trying to obtain ad-
mission under false pretenses.

A man in Louisville found a leak
in his gas pipe by hunting for it with
a lighted match. He will be out in
a week or two.

Poughkeepsie N. Y. has its first
woman policeman. She is Martha
T. Karnofski, a nurse, who is the
agent of the St. Barnabas Fund, a
charitable institution. I don't in-
tend to carry either a pistol or a
club," said Miss Karnofski. "They
aren't necessary. Coolness is better
than weapons, and I expect little
difficulty in subduing obstreperous
persons."

A Chicago man gives this plan to
stop roosters from crowing in the
early hours of the morning:

"A simple device to stop the bird
from crowing is to nail a board
twelve inches above the perch in the
chicken-house. This will prevent
the rooster from raising its head to
the proper angle for crowing, there-
by suppressing the clarion notes."

And Caleb Powers, the ingrate,
thrice convicted as a murderer, ob-
jected to the plank in the Republican
platform that endorses Gov. Willson
administration. Powers of course
knows that Gov. Willson has made a
number of mistakes, but other peo-
ple know that the greatest of all was
the pardon he granted Powers.

MAKES RAPID HEADWAY

Add This Fact to Your Store
of Knowledge.

Kidney disease advances so rapidly
that many a person is firmly in its
grasp before aware of its progress.
Prompt attention should be given
the slightest symptom of kidney dis-
order. If there is a dull pain in the
back, headaches, dizzy spells or a
tired, worn-out feeling, or if the
urine is offensive, irregular and at-
tended with pain, procure a good
kidney remedy at once.

Thousands recommend Doan's
Kidney Pills. Read the statement
below.

W. T. Fox, of Elkton, Ky., says:
"I used Doan's Kidney Pills some
time ago, and I was never more
gratified in my life than I was with
the results I derived. The pain in
my back disappeared immediately,
my kidneys were strengthened and
I felt better in every way. I shall
be glad to answer any questions con-
cerning Doan's Kidney Pills."

Germs In Water.

The first analysis of Ohio River
water made by the chemists and
bacteriologists of the Indiana State
Board of Health, which was made
at Lawrenceburg, Ind., shows that
the water is reeking with bacteria
and typhoid germs. The party will
continue down the river, making
analyses at various points for the
entire length of the boundary of In-
diana. Several months will be re-
quired to complete the survey.

Life Saved At Death's Door.

"I never felt so near my grave,"
writes W. R. Patterson, of Wellin-
ton, Tex., as when a frightful cough
and lung trouble pulled me down to
100 pounds, in spite of doctors treat-
ment for two years. My father,
mother and two sisters died of con-
sumption, and that I am alive today
is due solely to Dr. King's New Dis-
covery, which completely cured me.
Now I weigh 187 pounds and have
been well and strong for years." Quick,
safe, sure, its the best re-
medy on earth for coughs, colds, la-
grippe, asthma, croup, and all throat
and lung troubles. 50c & \$1.00.

In Memory of Mrs. Maggie
Dollins Forbes.

Again the grim reaper, Death, has
visited our neighborhood and has
claimed for its victor the wife of
Mr. Ed Forbes on the morning of
July the 24th, 1911, at 4 o'clock a
m.

Jesus has taken our sister's friend
and neighbor home with him to live
and today she is free from sorrow
and cares; although her afflictions
were great, she bore them with
christian fortitude and patience for
two years, never murmuring; sweet
peace to her memory. She was a
member of the Methodist church at
Vaughn's Chapel and a teacher of a
class in the Sunday School as long
as she was able to attend. She was
a true and faithful christian, ever
ready to assist in that which was
for the uplifting of christianity. She
leaves a husband and three sons, an
aged mother, brothers and sisters to
mourn her departure. Husband and
children we know 'tis hard to give
up a dear companion and a lovely
mother, but there is a grand thought,
your loss is her gain, for Jesus says
"come unto me all ye that are weary
and heavy laden and I will give you
rest." And to-day Maggie is resting
in Jesus' arms. Let us follow
her teachings and in a few short
years you will be called to clasp
hands with our loved one who has
gone before.

See truth, love and mercy in triumph
descending.
And nature all glowing in Edens'
first bloom.
On the cold cheek of death smiles
and roses blooming.
And beauty immortal awakes from
the tomb.
Cold in the grave the dear heart may
lie,
But that which warmed it can nev-
er die.

ANCIENT CENSUS.

First on Record Was In China
In 2042 B. C.

"There is a record of a census in
China as far back as the year 2042
B. C., and of one in Japan in the
last century before Christ.

Under the constitution of Solon
the citizens of Athens were divided
and registered in four classes, ac-
cording to the amount of their tax-
able property on incomes.

The Roman census was burdened
with more statistics than any of
these, however. It had its origin
under Servius Tullius, sixth King of
Rome, and was an affair of much
solemnity. Every citizen had to ap-
pear upon the campus Martius and
declare upon oath his name and
dwelling and the value of his prop-
erty, under the penalty of having his
goods confiscated.

The most ancient statistical re-
cord of a census is found in the Bible.
The census was taken by Moses in
the wilderness and, as shown by the
first chapter of Numbers, the enum-
eration must have been very simple.

"Take ye," says this account,
"the sum of all the congregations of
the children of Israel, after their
families, by the house of their fathers,
with the number of their names,
every male by their polls,
from 20 years old and upward, all
that are able to go forth in war with
Israel; thou and Aaron shall number
them by their armies."

The women and children and cripples
and the old men were not in-
cluded, neither were the Levites
numbered among them. Those who
did stand up to be numbered totaled
603,550.—New York Herald.

Tortured For 15 Years.

by a cure-defying stomach trouble
that baffled doctors, and resisted all
remedies he tried, John W. Modders,
of Modderaville, Mich., seemed
doomed. He had to sell his farm
and give up work. His neighbors
said, "he can't live much longer."
"Whatever I ate distressed me," he
wrote, "till I tried Electric Bitters,
which worked such wonders for me
that I can now eat things I could not
take for years. Its surely a grand
remedy for stomach trouble." Just
as good for the liver and kidneys.

CATHOLICS LEAD

In Numbers In All New Eng-
land States.

The Roman Catholics have by far
the largest number of members in
every one of the New England
states. In Massachusetts 69.2 per
cent of the population confess that
faith, and only 7.6 per cent be-
long to the Congregational church,
which represents the faith of the
pilgrims; only 5.2 per cent of the
people are Baptists; only 4.2 per
cent are Methodists, and only 3.2
cent are Episcopalians.

In Rhode Island 74 per cent of the
people belong to the Catholic church.
7.5 are Baptists, 5.8 are Episco-
pals, 3.7 are Congregationalists, and
only 3 per cent are Methodists.

In Connecticut 59.6 per cent are
Catholics; 13 per cent or congreg-
ationalists, 7.5 per cent Episco-
pals, 6.9 per cent are Methodists and
5.5 per cent are Baptists.

In Maine 53.3 per cent are Roman
Catholics; 15.4 are Baptists, 9.9 are
Congregationalists, 9.4 are Metho-
dists and 2.6 are Episcopalians.

In New Hampshire 56.3 per cent
are Catholics, 10 per cent are Con-
gregationalists, 8.4 per cent are
Baptists and 2.6 per cent Episco-
pals.

In Vermont 55.9 per cent are
Catholics; 15 per cent are Congre-
gationalists, 12 per cent are Metho-
dists and 6.8 per cent are Episco-
pals.

The preponderance of the Roman
Catholics is due to a large foreign
population and also to the circum-
stance that they include every child
that has been baptized, whereas the
Protestant denominations only count
those who have been formally ad-
mitted to communion.—WILLIAM E.
CURTIS, In Record Herald.

cured the boil in a short time." Quickest

Who Was There That You Knew?

IN the shadowy ranks of those who marched to defeat or death or victory fifty
years ago in the mighty conflict that convulsed this great nation, is there
father or grandfather or uncle of yours? Would you like to see a photograph
of him in that long ago day of his youth—a photograph that he never knew was
taken? Perhaps we can show you one; and in any case, we can tell you a
story, stranger than any detective fiction, of 3,500 priceless photographs that
were lost and are found again.

3,500 Long Buried Photographs
of the Civil War

THEY were taken by the greatest photographer in the
United States of that day; they were bought by the
United States Government for \$30,000; they were buried
in the War Department for 50 years—they are buried there
still. But a duplicate set was kept by the photographer—who
died poor and broken down; that duplicate set was knocked
from pillar to post for nearly 50 years, until it was discovered
by a New England collector. J. Pierpont Morgan (tried
with the help of the Review of Reviews, the entire collection
has been gathered into 10 great volumes and is placed within
your reach at less than the value of one of the photographs.
It is the one accurate, impartial history of the Civil War—
for the camera cannot lie. It tells the story of the War you
never heard before. Taken under protection of the Secret
Service, these photographs bring to light thousands of little-
known phases of the war; they penetrate to strange places and
record strange things.
